**The Netherlands, June 11, 2022**

VIV Asia 2023 takes place at the new venue, IMPACT Exhibition Center in Bangkok, March 8-10, 2023. For your hotel reservations this might mean a change in your choice as now there is not clear if there is a direct connection to the Impact Exhibition Center with the BTS Skytrain or a station close by! There will be a shuttle for the last part between the closest BTS Station and the exhibition center. There are only 2 on site hotels available. The Novotel Impact, with *limited* rooms, and the Ibis Impact. Therefore we added now a few well rated hotels at the Riverside (Easy connection to the highway to Impact and easy connection with Siam Sukhumvit by BTS Skytrain).

***The average travel time from the riverside hotels to IMPACT is between 25-35 minutes, quite steady. The average travel time from the Sukhumvit hotels about 50-60 minutes which might go up 30 minutes, all depending on the actual traffic and weather status in Bangkok.***
